

Dear Church Leaders,

Yes, it's Glow time! We are excited to offer this great missions weekend experience for **daughters** and their **moms/grandmoms** this Spring! **Glow!** (God's light over the world) is a weekend retreat beginning at 7pm **April 13th** and ending at 3pm April 14th, at **Webster Conference Center** Salina, KS. We will enjoy interactive worship, games, bible study, crafts, and a mission project. The 2012 theme for **Glow** is God's Light in Ecuador. It is our hope that this event will help strengthen and support mom and daughter relationships, while learning about what God is doing in Ecuador by seeking and finding '*God's Treasure*' in their lives. There will be conferences for both moms and daughters. If moms cannot attend, send your girls with their grandmother or a significant woman in their lives.

Visitor Parking is our retreat worship leaders. Patti Merritt, Missionary to Ecuador, will be our guest speaker. Patti Merritt has served three years for the IMB as a Master Life Missionary. She grew up and lived in Kansas most of her adult life.

Registration materials are enclosed. If you would please pass these materials on to your Women's Ministry Leader, WMU Director and Children's Ministry Leader of your church it would be greatly appreciated. If you have questions, please contact Heidi Nelson at 1-800-984-9092 or by e-mail at hnelson@kncsb.org.

Please prayerfully consider and support this opportunity for the girls and women of your congregation. They won't want to miss this excellent opportunity for Christian education and a positive mission experience. **Glow!**

Thank you,

Cheryl VanBebber and Sarah Schmidt
