

Jami Smith

Worship Leader & Speaker

Jami Smith has spent the better part of her life bringing Christians closer to the Creator. She is one of the premier worship leaders in the country. For more than 15 years, Smith has traveled the world using music as a tool to help believers connect with the Lord.

The only thing more important to Jami Smith than her relationship with

her family is her relationship with Christ. She still lives within 60 minutes of her hometown of Chickasha, Oklahoma. Smith regularly partners with her younger brother, Ryan Smith, to write songs. Their most recent collaboration is featured on Smith's new release, VERSE. In 2009, Jami Smith and her husband welcomed a baby girl into their family, Emory Grace.

Jami Smith has known since she was a college student at Oklahoma Baptist University that she was called to be a worship leader. Smith felt the divine tug of a powerful God. Her obedience to that calling has helped revolutionize worship in churches across America. Smith performs at church services, schools, women's retreats, conferences and special events.

Jami Smith has enjoyed success not only as a worship leader, but as a recording artist as well. Radio stations around the world play Smith's songs. "Salt and Light" from her 2002 release Wash Over Me hovered at the top of the charts. Smith's 2008 release Faith In You was named one of the top worship albums of 2008 by Christianity Today. That same publication also recognized Smith's Christmas album Hope Of All The Earth as "something of a revelation" and "an excellent Christmas project."
